## Simply the Best!

### CAN'T FIRE RELEASE

*Designed to help reduce the number of Dry Fires.*

Use when drawing a bow to check draw length, or feel of bow in hand. Great as an inexpensive exercise device to gain draw weight.

### THE GROUND STAND BOW HOLDER

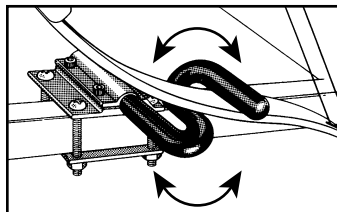

*Keeps bows in position and ready to use!*

Whether in the woods or target shooting in the backyard, this lightweight, portable bow holder is a must for archers.

### THE TREE STAND BOW HOLDER

*Fits All Stands, Holds All Bows*

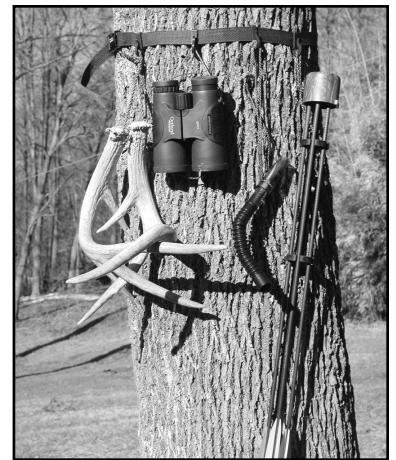

The **Third Hand Tree Stand Bow Holder** can be easily mounted to the outside edge of wood, steel or aluminum tree stands, often without drilling. It keeps bows in a ready position next to the hunter's seat and gives the hunter a full range of motion on the platform.

### TREE STAND ACCESSORIE BELT

### BOW HUNTERS HIP CLIP

*Easy to use string bow holder!*

The **Hip Clip** is a handy device that bow hunters and target shooters will want at their side. Whether in the woods or a treestand, and while trekking around the 3D course, archers find this an easy way to carry their bows.

## THE PRO PULLER

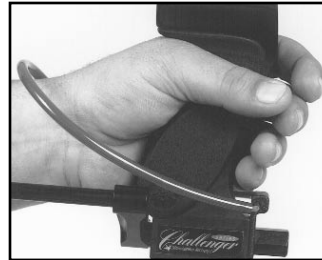

*Touted as the best arrow puller on the market!*

A favorite among top archers, the **Pro Puller** has the reputation of being one of the best arrow pullers on the market. The specially designed bar grip is large enough to fit all arrow sizes, yet small enough to pull arrows from tight arrow groups. The molded finger grips and the V-tapered compression channel give the **Pro Puller** extra pulling power.

## THE READY WRIST SLING

*Always upright and in position for shooting!*

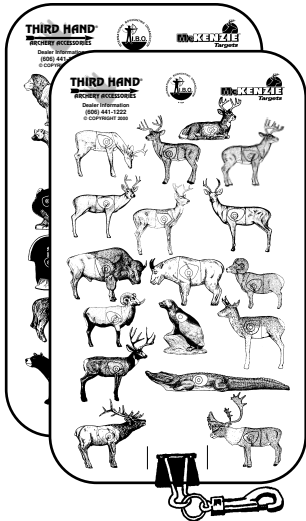

**GUARANTEED FOR THE LIFE OF THE BOW.**

Ready for a wrist sling that does not absorb odor, stick to the skin or dry rot? If so, The **Ready Wrist Sling** is the perfect solution to the problems caused by leather and rubber wrist slings.

## SCORE CARD HOLDER

The **Third Hand Score Card Holder** shows arrow placement including the new 12-ring on the McKenzie Natura-Look and HD Targets - all on one clip board. In addition to showing arrow placement, it also holds score cards and gives the score keeper a solid surface to write on.

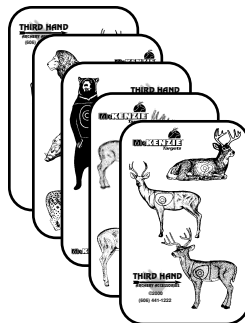

## THE RAG BAG

*Bag Extra Savings with Practice Target Covers*

## MINI CARDS

Created for those who do not want to keep score. The **Mini Cards** show the same drawings of the McKenzie 3D targets as the **Score Card Holder**. The cards measure 2" x 3-1/2" and are simple to use.

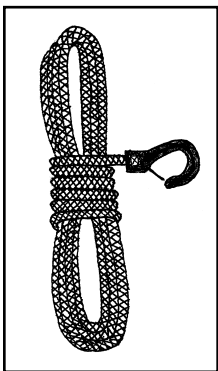

*Cut target costs by eliminating the most expensive part of the target... the bulky material*

inside and the freight to ship it to you. The 32" x 34" Third Hand Archery target bag is one of the most durable bag covers on the market. This cover is made of extra heavy-duty poly and has an easy-to-seal velcro top. The tough cover material resists damage done by sunlight, rain and arrow punctures.

## 30' BOW ROPE

*Designed for the "High Rise" Bow Hunter*

30' long, rot resistant, camo rope with quick release hook.
